GOFFS-CHURCHGATE ACADEMY
ADMISSIONS POLICY AND PROCEDURES

This admissions policy complies with the Department for Education School Admissions Code September 2021

Procedure for Secondary Transfer

1. A Committee of the Board of Trustees determines the admissions arrangements of Goffs-Churchgate Academy. This Committee reports directly to the Board of Trustees.
2. The Committee normally convenes towards the end of the Autumn Term to apply the entry criteria to the applicants for places to the school. The Committee consists of the Principal, the Vice Principal, Admissions Student Support Officer, SENCO, and relevant Trustees.
3. Applications must be made on your home Local Authority's (LA) Common Application Form (online or paper) and sent directly to the LA. The school receives a list of applicants and applies the criteria strictly as outlined in this policy.
4. An initial list of places to be offered is created by the Admissions Student Support Officer and the Vice Principal and presented to the Committee for discussion and ratification.
5. Applicants are ranked in order based on our admissions arrangements so that in the event that some applicants do not accept offers of places or are not allocated them by the LA, the next applicant will be offered a place.
6. The list is sent to Hertfordshire County Council (HCC) for further processing.
7. HCC considers this list together with the preferences indicated by parents and adjustment lists may be sent to the school.
8. Alternative applicants are added and the list returned. This process continues until all the places have been satisfactorily allocated.
9. Offers of places are made by HCC at the beginning of March. Parents are given 10 working days in which to accept the places. Any offer not taken up is re-offered to the next person on the reserve list.
10. At the end of April the offer list is closed and parents are informed that all places have been filled. At this point applicants who have not been offered a place may appeal in writing if they wish (see below).

Appeals

1. Parents have a right of appeal against non-admission to this school. Parents wishing to appeal who applied through Hertfordshire's online system should log in to their online application and click on the link "register an appeal". Out of county residents and paper applicants should call the Customer Service Centre on 0300 123 4043 to request their registration details, log into www.hertfordshire.gov.uk/schoolappeals and click on the link "log into the appeals system".
2. The Appeals process is handled by Hertfordshire County Council on behalf of the Trustees.
3. Appellants apply directly to Hertfordshire County Council (see point 1) who arrange an independent appeal panel to hear the appeals.
4. These appeals take place during the Summer Term and the school is informed of the outcome at the end of the process.
5. The school has a right to be represented at the appeal hearings and this is normally done by a member of the Senior Leadership Team.
6. Any late appeal is normally added into the process if it can be heard during the sitting. Any appeal request received after the deliberation date will still be heard.
7. No applicant is allowed more than one appeal in any academic year unless their circumstances have changed significantly.

Admissions Criteria for 2021-22

Parents who wish to apply for places for their children at Goffs-Churchgate Academy are asked to complete the Goffs-Churchgate Supplementary Information Form and return it to the school office by the closing date for applications. If a Supplementary Information Form is not completed, the Board of Trustees will apply the admissions criteria using the information submitted on the Common Application Form only, which may result in your application being given a lower priority. In addition parents must complete the application form of their home authority online at www.hertfordshire.gov.uk/admissions.

In accordance with admissions law and the Admissions Code, we take into account children who we have to admit, either because they are placed under the Fair Access Protocol or because they have an Education, Health and Care Plan (“EHCP”) naming the school because of their needs. Accordingly any child with an EHCP that names Goffs-Churchgate Academy will be admitted.

Goffs-Churchgate’s published admission number is 120. In the event of oversubscription, places will be allocated according to the following criteria, in the order shown:

1. Looked After Children as defined in section 22 (1) of the Children Act 1989¹ and previously looked after children. Children are previously looked after if they were looked after but ceased to be so because they were adopted or became subject to a special guardianship order or residency order, this includes children previously looked after outside England. The child’s previously Looked After status will be decided in accordance with the definition outlined in The Children and Social Work Act 2017²
2. Children for whom it can be demonstrated that they have a particular medical or social need to go to the school (See note (i) below).

¹ a child who is looked after by a local authority is a reference to a child who is—

(a) in their care; or

(b) provided with accommodation by the authority in the exercise of any functions (in particular those under this Act) which the Local Authority Social Services Act 1970

² The Children & Social Work Act 2017:

i. to have been in state care in a place outside England and Wales because he or she would not otherwise have been cared for adequately, and

ii. to have ceased to be in that state care as a result of being adopted.

A child is in “state care” if he or she is in the care of, or accommodated by –

(a) a public authority,

(b) a religious organisation, or

(c) any other organisation the sole or main purpose of which is to benefit society.

3. Children who will have an older brother or sister at the school at the time of admission (see note (ii) below).
4. Children of Staff (both teaching staff and support staff) employed by the school (either on a full or part time basis) (see note (iii) below)
5. Children attending the named feeder primary schools will be allocated places at the school on a quota basis in the proportions set out below (see notes (v), (v), (vi) and (vii) below).

a) Andrews Lane School	8%
b) Bonneygrove School	10%
c) Brooklands School	13%
d) Burleigh School	14%
e) Cuffley School	2%
f) Dewhurst St Mary's School	2%
g) Downfield School	13%
h) Fairfields School	8%
i) Flamstead End School	8%
j) Goffs Oak School	2%
k) Hurst Drive School	11%
l) Millbrook School	5%
m) St Paul's School	2%
n) Woodside Primary School	2%

Please note that the above percentages refer to the percentage of places remaining - following application of criteria 1 to 4 - not the percentage of students in Year 6 in the feeder primary school to be allocated places.

Please note that students must be on roll at the feeder school at 31/10 in the year of application.

If any student from a feeder school does not take up their place, criterion 6 will be re applied to ensure that each feeder school, where possible, receives its full allocation.

If a named feeder primary school does not use its full allocation, any surplus places will be allocated under this criterion to a child/ children from the other feeder schools living closest to the school using a straight line distance measurement from each applicant's home to the school (see note (vi) below).

6. Any remaining places will be allocated to children living closest to the school, using HCC's computerised mapping system (see note (vi) below). In the event of a 'tie break' random

allocation will be used. Random allocations will be administered by HCC on behalf of the Trustees of the school. Every child entered onto the HCC admissions database has an individual random number assigned between 1 and 1 million, against each preference school. When there is a need for a final tie break the random number is used to allocate the place, with the lowest number given priority.

In the event of over-subscription within any of the criteria 1-5, a tiebreak of the applicant living closest to the school will be used, using a straight line distance measurement from each applicant's home to the school. If two children live the same distance from the school random allocation will be used, as described in the preceding paragraph.

Notes:

- (i) Rule 2 applications will only be considered at the time of the initial application, unless there has been a significant and exceptional change of circumstances within the family since the initial application was submitted.

All schools in Hertfordshire have experience in dealing with children with diverse social and medical needs. However, in a few very exceptional cases, there are reasons why a child has to go to one specific school. Few applications under Rule 2 are agreed.

All applications are considered individually but a successful application should include the following:

- a) *Specific recent professional evidence that justifies why only one school can meet a child's individual needs, and/or;*
- b) *Professional evidence that outlines exceptional family circumstances making clear why only one school can meet the child's needs;*
- c) *If the requested school is not the nearest school to the child's home address, clear reasons why the nearest school is not appropriate;*
- d) *For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at only a specific school essential.*

Evidence should make clear why only Goffs-Churchgate Academy is appropriate. Applications under Rule 2 can only be considered when supported by a recent letter from a professional involved with the child or family, for example a doctor, psychologist or police officer. The supporting evidence needs to demonstrate why only one named school can meet the social/medical needs of the child.

- (ii) *Students that have a brother or sister continuing at the school at the time of transfer of the younger child. Goffs-Churchgate's definition of a brother or sister (a sibling) is:*

- a) A brother or sister sharing the same parents.
- b) Long term fostered children.
- c) A half brother or sister, where 2 children share one common parent.
- d) A step brother or sister where two children are related by a parent's marriage or partnership. The parents have co-habited in a permanent relationship (as if they were husband and wife or civil partners) for a minimum of 2 years.
- e) Siblings must live at the same address (sufficient proof will need to be provided).

(iii) Priority will only be given to children of staff employed by the school in either or both of the following circumstances:

- a) Where the member of staff has been employed by the school for 2 years or more at the time at which the application to the school is made, and/or
- b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage.

Please note that the child must be living at the same address as the staff member.

(iv) In order to determine a reasonable percentage allocation to each feeder school, the following sources of evidence have been considered:

- The number of applications and subsequent allocations to Goffs-Churchgate and Goffs, over a 3 year period
- The location of primary schools
- The availability of other secondary school provision

These percentages will be reviewed every two years to reflect the numbers of children from each school applying, the number of children taking up places at Goffs-Churchgate, and the number of students in Year 6 at the feeder primary schools from September 1st of the entry year, taken over a three-year period.

(v) Where the number of places that can be allocated to the school do not exactly fit the published percentage, the allocation is rounded to the nearest whole number

(vi) Places are allocated to students in each feeder school based on a straight line distance from the student's home address to Goffs-Churchgate Academy. Distances are measured using a computerised mapping system to two decimal places. The measurement is taken from the AddressBase Premium address point of your child's house to the address point of the school. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences.

(vii) The address you give us should be your child's current permanent address. This applies even if you think you might move house. If you move after submitting your application you must write to Goffs-Churchgate with proof of your new address. (Please refer to the [HCC Admissions pages at www.hertfordshire.gov.uk/admissions](http://www.hertfordshire.gov.uk/admissions) for more information.)

(viii) With reference to rule (vii) above, there is a national problem with parents using false addresses or moving temporarily wholly or mainly to secure a place at an oversubscribed school. This practice is unfair as it excludes genuine applicants from places that should rightfully be theirs. In order to ensure that all applicants are treated fairly the Board of Trustees may require further verification of addresses in some circumstances. Such circumstances include, but are not limited to:-

1. Where the family have not lived at the given address continuously for 12 months immediately prior to application;
2. Where the family still possess a property previously used as a home address; and/or
3. Any other circumstances in which the Board of Trustees consider that there is doubt as to whether the address given is genuine or that it is merely temporary.

Such checks may include verification of home addresses used at primary schools and documentary evidence such as bills, land registry documents and tenancy agreements.

The Board of Trustees acknowledge that there are circumstances in which a family may have recently moved for acceptable reasons and will take into account such factors, based on their findings of fact on the balance of probabilities, when deciding whether an address is genuine or not. Where it is established that the offer was obtained through a fraudulent or intentionally misleading application the offer may be withdrawn, in some cases after the student has started at the school.

Full information regarding the correct address from which to make an application is available at www.hertfordshire.gov.uk/admissions.

Twins or Multiple Birth Children

If a parent has more than one child going through the secondary transfer process at the same time parents must make a separate application for each of them. If one child is offered the last place available and parents have applied for the same school for the other child(ren), the school will try to offer a place for the other child or children (the only exception is for a child placed through random allocation). In the event of only one child being offered a place, we recommend that parents contact Goffs-Churchgate Academy on 01992 424200.

Admissions under the Fair Access Protocol

Goffs-Churchgate is committed to admitting its fair share of children who are vulnerable and/or hard to place, as set out in HCC's County wide protocol. Children who qualify under this category can be admitted even if the year group is full, and on, or above, the Published Admission Number. Please note students will be admitted above/before children on the Continued Interest list.

The Continued Interest List

The Continued Interest list is not a waiting list, i.e. the length of time spent on the list does not indicate how likely you are to get a place. Children on the Continued Interest list will be ranked according to the oversubscription criteria, and any children added to the list must be slotted in according to where they are in the priority list. This means that children on the list will move up and down as more children are added and **not** on a 'first come first served' basis. Please note that the Continued Interest list is cleared at the end of July each year. Parents are required to re-apply should they wish to remain on the Continued Interest list.

In-Year Admissions

In-year applications should be made directly to Goffs-Churchgate Academy. We will notify HCC of the application, and will contact applicants directly with the outcome of the application. If an application is unsuccessful, we will include registration details to enable you to login and appeal online at "www.hertfordshire.gov.uk/schoolappeals".

Students in Year 6 that are unsuccessful in their application to Goffs-Churchgate will automatically be placed on our Continued Interest list. Places are not determined by the date or position of the student being placed on the list, but in line with our published criteria.

Where a place becomes available it will be filled from the Continued Interest list. If there is an appeal in process when a place becomes available and the child named on the appeal meets the criteria and is top of the list the appeal will be withdrawn and the child will be offered a place.

Admissions of Children Outside of Their Normal Age Group

Parents of gifted and talented children, or those that have experienced or missed part of a year, for example due to ill health, can seek places outside their normal age group. Goffs-Churchgate will make this decision based on the circumstances of each case.

Fraudulent Applications

Goffs-Churchgate will do as much as possible to prevent applications being made from fraudulent addresses. Address evidence is frequently requested, monitored and checked and school places will be withdrawn when false information is deliberately provided. Goffs-Churchgate will take action in the following circumstances:

- a) When a child's application address does not match the address of that child at their current school;
- b) When a child lives at a different address to the applicant;
- c) When the applicant does not have parental responsibility;
- d) When a family move shortly after the closing date of applications when one or more of the following applies:
 - The family has moved to a property from which their application was less likely to be successful;
 - The family has returned to an existing property;
 - The family lived in rented accommodation for a short period of time (anything less than a year) over the application period;
 - Council tax information shows a different residence at the time of application.
 - If a child starts at Goffs-Churchgate and their address is different from the address used at the time of application.
