

## Goffs-Churchgate Academy

4<sup>th</sup> March 2021

Dear Parents and Carers,

May I be the first to offer my congratulations to your child, on securing a place at Goffs-Churchgate Academy for September 2021, and to thank you as parents for placing your trust in our school. I hope that every child will be happy and successful in their education and will give fully to their new school. We look forward to the contribution that this year group will make to the school community. I know that by applying for a place at Goffs-Churchgate Academy you are committed to upholding the school values and expectations and I thank you for this.

This is an exciting time for everyone and we are already looking forward to the impact our new pupils will make on the school. I know that it can also be an extremely stressful and daunting time for new students. However, our Transition Programme has been well designed to ensure that each child has a smooth start to the next chapter of their school life.

We are a school that is well-established, consistent in our approach, and one that thrives on encouragement, trust, support and enthusiasm, leading a student body to seek and develop its full potential. We believe that our role is to nurture every child so that they grow in confidence and are given every opportunity to flourish.

Our partnership with parents is essential and we pledge to work tirelessly to fulfil your expectations of us. In turn, I know that you too, will want to fulfil our expectations of you in supporting your child's education.

To welcome you to Goffs-Churchgate Academy, I would like to invite you to a virtual Welcome Evening so that you can see and hear about the transition programme. This will take place on **Thursday 11th March 2021 at 5.30pm**. Mrs Robson and I look forward to meeting you. You will be sent a link to join the meeting to the email address registered when you made your child's application. All communication will be sent to this email address. Attached to this email is your Welcome Pack with further useful information and a Student Information Pack which needs to be completed and returned to us.

If you have any queries regarding transition, please feel free to contact Mrs Robson
